## **EXECUTIVE SUMMARY**

The main objective of this deliverable is to summarize the envisaged activities to be carried out in conjunction with other IST Projects. After a short introduction, in section 2 the main objectives and key issues to be addressed in the AROMA project are summarized. Section 3 deals with the inter-project collaboration instruments considered in the FP6 programme, identifying the possible IST-clusters where AROMA project could potentially contribute. Finally section 4 summarizes the foreseen synergies and possible cooperation fields between AROMA and other IST research projects.
