## **EXECUTIVE SUMMARY**

This document reports a set of complementary dissemination activities carried out in the AROMA project for completing the classical ones, such as publications in magazines or papers presented in international conferences.

Among others, these complementary dissemination activities include: Press releases, Company newsletters, Company WEB pages, Seminars for Operators' employees, etc.

The document mainly consists in two sections. In the first section a brief revision of the AROMA dissemination approach is carried out, whereas in the second section specific details of the public participation and awareness are reported.
